For Virginia SPQA, “in-kind” sponsorships are set at the level of support commiserate with the value. Examples include providing training facilities, professional or other support services, and sponsoring employee participation as Examiners through the subsidization of travel and expense. Within the framework of financial sponsorship, Virginia SPQA also accepts designated Program Sponsor contributions tied to specific events or initiatives, such as its Forum and Workshops held across the Commonwealth and/or sector-specific initiatives. Please note that corporate sponsorship is limited to one occurrence per year.	

Please indicate your level of support for **SPQA** (the **U.S. Senate Productivity and Quality Award for Virginia and DC** program) and return this commitment form as soon as possible to assist us with our financial planning for our many programs.
